Cartridge 137 Black (full-yield cartridge; 2,400 sheets ISO/IEC Standard)	9435B001

* Wireless performance may vary based on terrain and distance between printer and wireless network clients.

** Print speed is based on internal testing. Print speed may vary depending on the number of copies selected as well as on the settings for size, type, and orientation of paper.

*** May vary based on the output environment.

† Canon PRINT Business is a free app available on the App Store® and Google Play™ Store. For more information, including compatibility, please visit http://www.cla.canon.com/cla/en/office/Mobile-Apps. Users of Canon Mobile Printing can simply update the app to use Canon PRINT Business; users who have installed Canon Mobile Scanning for Business should install Canon PRINT Business on their compatible device. After Canon PRINT Business is installed, users can re-register their Canon Mobile Scanning for Business device list and local documents.

††Mopria Print Service, available for free at the Google Play Store, requires a compatible Android KitKat 4.4 smartphone or tablet. The printer must be either wirelessly connected to the network router or with an Ethernet cable. The mobile device and printer must be connected to the same network.

◊ Google Cloud Print requires an Internet connection and Google Account. Printer firmware update may be necessary for Google Cloud Print™ function. Certain exceptions may apply. A PC running Windows XP or later or a Mac running OS 10.4.11 or later and USB cable are required to perform firmware update.

*• Based on 20 lb. Bond paper.

■ A5 paper is supported in Simplex Mode only.

♦ Declared noise emission in accordance with ISO 9296.
